

LED

LightGraphix

20 Bourne Road Ind. Park, Crayford, Kent DA1 4BZ

LD57 / LD257

Minimum glare waterproof step light or bulkwark mounted yacht decklight with 5mm Borofloat glass. The LED is hidden from view by an aluminium shield behind half the glass and whilst the lack of a lens means output is lower, it is adequate for gentle deck and step lighting without glare from the lightsource.

Use with 1W (350mA) or 2W (700mA) Drivers. See catalogue (edition 9) page 86 - 89 for wiring diagrams and drivers.

Angled glare shield.

  **IP 68**
